

CURRICULUM VITAE

Dr. Jutta Joormann

Home Address 70 Ruggles Road
Guilford, CT 06437

Office Address Yale University
Department of Psychology
2 Hillhouse Avenue
New Haven, CT 06520
E-mail: jutta.joormann@northwestern.edu

Current and Past Positions

Professor, Department of Psychology, **Yale University**, 2014-present

Associate Professor, Department of Psychology, **Northwestern University**, 2013-2014

Associate Professor, Department of Psychology, **University of Miami**, 2009-2013

Assistant Professor, Department of Psychology, **University of Miami**, 2006-2009

Research Associate, Department of Psychology, **Stanford University**, 2004-2006

Visiting Scholar, Department of Psychology, **Stanford University**. Funded by a fellowship from the German Research Foundation (DFG), 2002-2004

Assistant Professor, Department of Psychology, **Ruhr-Universität Bochum**, Germany, 2000-2004

Education

Habilitation Venia legendi in Clinical Psychology, **Ruhr-Universität Bochum**, Germany, 2005

Ph.D. Psychology, **Freie Universität Berlin, Germany** 2000
Doctor of Philosophy (Dr. Phil.) in Psychology (Summa Cum Laude).

Dipl.-Psych. **Freie Universität Berlin, Germany** 1995
Diploma in Psychology ("sehr gut" [A]) after training in psychology at the Freie Universität Berlin, and the Universities of Giessen, Trier and Stirling, Scotland, UK.

Teaching Experience

- 2014 Northwestern University:
 Psychopathology (Undergraduate course)
 Cognitive Approaches to Psychological Disorders (graduate course)
- 2012 Emotion Regulation: Summer course at the University of Zuerich
- 2006-2013 University of Miami:
 Clinical Practicum (graduate);
 Adult Psychopathology (graduate);
 Abnormal Psychology (undergraduate)
- 1995-2002 Instructor of over 14 courses at the Freie Universität Berlin and the Ruhr-Universität Bochum:
- Clinical Psychology Treatment of Anxiety Disorders (graduate);
 Treatment of Depression (graduate);
 Psychotherapy Research (graduate);
 Obsessive-Compulsive Disorders (graduate);
 Suicide and Suicidality (graduate);
 Schizophrenia (graduate);
 Adult Psychopathology (graduate);
 Intervention (graduate)
- Research Methods Multivariate Statistics (graduate);
 Descriptive Statistics (undergraduate);
 Advanced Statistics (undergraduate);
 Research Methodology and Experimental Design (undergraduate);
 Philosophy of Science (undergraduate);
 Experimental Psychology (undergraduate)

Graduate Students and Post-doctoral Fellows

- Lira K. Yoon, now Associate Professor at the University of Notre Dame
- Joelle LeMoult, now Post-doctoral Fellow Stanford University, received an NRSA from NIMH in 2009 and the Outstanding Graduate Student Award from the University of Miami in 2010
- Tanya Tran, now Post-doctoral Fellow at Brown University; received a College of Arts and Sciences Summer Award in 2009
- Catherine D'Avanzato, received a College of Arts and Sciences Dissertation Award in 2010, currently on internship at Brown University
- Kimberly Arditte (4th year student), received a UM Fellowship in 2010 and an NSF Graduate Student Fellowship in 2011 and a College of Arts and Science Dissertation Award in 2013
- Meghan Quinn (3rd year student)
- Michael Vanderlind (1st year student)
- Ema Tanovic (1st year student)
- Elizabeth Lewis (1st year student)

Clinical Training, Internships and Experience

- 2009-2013 Clinical coordinator, Adult Division, University of Miami

2006-2013	Clinical supervisor, Psychological Services Center (PSC), University of Miami
2000-2002	Therapist at the outpatient clinic of the Psychology Department, Ruhr-Universität Bochum, Germany
2001	Licensed as a Psychotherapist in Germany
1996-2001	Clinical training at the Dresdner Academy of Psychotherapy and the post-graduate clinical training program at the Ruhr-Universität Bochum (including the requirement of a minimum of 600 therapy sessions under close supervision and a minimum of 20 documented cases)
2000	Clinical internship at a psychiatric inpatient hospital in Bottrop, Germany
1996-2000	Psychotherapist at the Christoph-Dornier-Center for Clinical Psychology, (Treatment of anxiety disorders) and Psychotherapist at the outpatient center of the Psychology Department, Free University of Berlin.
1992	Internship at an inpatient unit of the psychiatric hospital of the Humboldt University in Berlin
1991	Internship at the Orange County Youth and Family Services in Irvine, CA.

Awards and Grants

2013-present	Consultant on R21MH101545-01 (PI: Dr. Ian Gotlib, Stanford University). Interpretation Bias Training in Depressed Adolescents: Effects and Mechanisms; NIMH
	Consultant on R15MH098294 (PI: Dr. Amy Mezulis, University of Seattle). Physiological and Cognitive Pathways from Temperament to Adolescent Depression; NIMH
2011	Provost Research Award, University of Miami
2010-present	Consultant on R01MH074849 (PI; Dr. Ian H. Gotlib, Stanford University): Risk for Depression: Identifying and Altering Psychobiological Mechanisms; NIMH
2008	Scholarly and Creative Activities Award, College of Arts and Sciences, University of Miami.
	MUSE Award for outstanding contributions to the undergraduate program, Department of Psychology, University of Miami.
	Co-writer of and consultant on R21MH080683 (PI: Dr. Ian H. Gotlib, Stanford University); Stress Reactivity and Emotion Dysregulation in Comorbid Depression and Social Anxiety Disorder; NIMH
	Consultant on R21AG031967 National Institute on Aging (PI: Dr. Iris Mauss, University of Denver): The impact of reappraisal ability on adjustment to stressful life events. NIA.

- James W. McLamore Summer Award in Business and Social Sciences, University of Miami
- 2007 Consultant on R01MH060655 (PI: Dr. John Jonides; University of Michigan): Interference resolution mechanism and their relevance to depression; NIMH.
- James W. McLamore Summer Award in Business and Social Sciences, University of Miami
- General Research Support Award in Business and Social Sciences, University of Miami
- 2006 National Alliance for Research on Depression and Schizophrenia (NARSAD) Young Investigator Award; Role: PI
- Consultant on R01 MH076021 (PI: Dr. Sheri Johnson, University of Miami); Cognitive and Biological Underpinnings of Reward Responsivity in Bipolar Disorder; NIMH
- Co-writer of and consultant on R01 MH059259 (PI: Dr. Ian Gotlib, Stanford University); Neural and Behavioral Aspects of Information-Processing Biases in Depression: An Examination of Inhibitory Dysfunction, Rumination, and Emotion Regulation; NIMH.
- 2006 Wisconsin Symposium on Emotion Travel Award
- 2005 Co-writer of and consultant on R01 MH074849 (PI: Dr. Ian Gotlib, Stanford University); Emotion Dysregulation in Girls at Risk for Depression: A Cognitive, Neural, and Neuroendocrine Integration; NIMH.
- Wisconsin Symposium on Emotion Travel Award
- 2004 Wisconsin Symposium on Emotion Travel Award
- 2002 Fellowship from the German Research Foundation (Deutsche Forschungsgemeinschaft –DFG: personal salary for 2 years) for the project “Cognitive Inhibition in Depression: Relation to rumination”.
- 2001 Grant from the University of Jena for the project „Cognitive inhibition and major depression: Investigation of the frontocingular/ frontostriatal interaction“ (PI: Dr. T. Sobanski and Prof. Dr. H. Sauer)

Professional Association Memberships

- APA American Psychological Association
- ABCT Association for the Advancement of Cognitive and Behavior Therapy
- DGPs Deutsche Gesellschaft für Psychologie (German Psychological Association)
- Division “Clinical Psychology”
 - Division “Research Methods”
- SRP Society for Research on Psychopathology
- APS Fellow of the Association for Psychological Science

Associate Editor

2014-present	Annual Review of Clinical Psychology
2011-present	Journal of Abnormal Psychology
2007-2010	Cognition and Emotion
2009	Cognitive, Affective, and Behavioral Neuroscience (Special issue on neurobiological correlates of depression)

Editorial Board

2006 –present	Cognitive Therapy and Research
2005-2010	Journal of Abnormal Psychology

Personal Career Development

Program Committee Chair Annual Meeting of Society for Research in Psychopathology (SRP), Minneapolis, 2009

Workshop "Functional Neuroimaging" University of Michigan (2009, 14 days)

Workshop "Genetic Analysis of Complex Human Diseases" Miami Institute for Human Genomics (2008, 4 days).

Workshop "Genetics and Molecular Biology" New England Biolabs and Smith College (2007, 14 days).

Workshop "Advanced Course in Functional Neuroimaging" at the Medical College of Wisconsin (2005, 4 days).

Graduate Course "Methodological Issues in Brain Imaging" at Stanford University, Winter Quarter 2005

Workshop "Computational Neuroscience" at Stanford University (2004, 2 days).

Workshop "Functional Neuroimaging" at the Medical College of Wisconsin (2004, 4 days).

Graduate Course "Computational Neuroscience", Psychology Department, Stanford University, Spring Quarter 2004.

Graduate Course "Neurobiology", Stanford School of Medicine, Stanford University, Winter Quarter 2003.

Methodological issues in the analysis of brain imaging data and AFNI users group, Stanford University (Winter quarter 2003, Fall quarter 2004)

Affective Neuroscience reading group, Stanford University (Winter 2003; Spring 2004)

Trained to run the MR scanner at the Stanford Lucas Center, over 100 hours of scanning control, depressed, and bipolar participants, participants with social anxiety disorder and mothers and their daughters.

Trained in conducting psychophysiology studies and in analyzing psychophysiology data in the Psychophysiology Laboratory, Psychology Department, Stanford University (Prof. James Gross).

Various one-day workshops on clinical issues including:

Cognitive Therapy of Generalized Anxiety Disorder (Dugas, 2003)

Cognitive Therapy of Obsessive-Compulsive Disorder (Freeston, 2003)

Cognitive Therapy of Social Anxiety Disorder (Clark, 2000)

Cognitive Therapy of Posttraumatic Stress Disorder (Clark, 2000)

Conference Keynotes and Invited Presentations

Cognition and emotion regulation in depression. Invited Speaker at the SARMAC X conference in Rotterdam, 2013.

Cognitive biases, rumination and mood regulation in depression. Invited Speaker at the Annual Meeting of the American Association for Anxiety and Depressive Disorders (ADAA), San Diego, 2013.

Inhibition in Depression. Invited Speaker at the Conference on Executive Function at Boulder, 2012.

Cognitive biases, rumination and mood regulation in depression. Keynote at the Annual Meeting of the International Society for Research on Emotion, Leuven, Belgium, 2009.

Genetic contributions to emotional disorders: Stress reactivity and emotion regulation in children at high risk for depression. Emotion Pre-Conference, SPSP, Albuquerque, 2008.

Cognitive biases, rumination, and mood regulation in depression. Opening meeting of the Flanders Research Community, Ghent, Belgium, December 2007

Depression und Grübeln: Ursachen, Auswirkungen und therapeutische Implikationen [Depression and Rumination]. Hemeraner Psychotherapietage, Hans-Prinzhorn Klinik, Hemer (2002).

Soziale Phobie bei Kindern und Jugendlichen [Social phobia in children and adolescents].

Dresdner Psychotherapietage, IFT, Dresden (2001)

Invited departmental lectures and colloquia

- Cognitive biases and emotion regulation in depression.* Washington University at St. Louis, 2013.
- Cognitive biases, rumination and mood regulation in depression.* Humboldt University Berlin, Germany, 2012
- Cognitive biases, rumination, and mood regulation in depression.* Psychology Department, Northwestern University (2010).
- Cognitive biases, rumination, and mood regulation in depression.* Psychology Department, Trinity University, San Antonio (2009).
- Genetic contributions to emotional disorders: Stress reactivity and emotion regulation in children at high risk for depression.* Psychology Department, Ghent University (2008).
- Cognitive biases, rumination, and mood regulation in depression.* Psychology Department, Yale University (2006).
- Cognitive biases, rumination, and mood regulation in depression.* Psychology Department, University of South Florida, Tampa (2006).
- "I just can't stop thinking about it...". Information processing, cognitive inhibition, and rumination in depression.* Personality area meeting, Psychology Department, Stanford University (2004).
- Inhibitory dysfunctions in depression: Relation to rumination and mood regulation.* Psychology Department, Trinity University, San Antonio (2003).
- Inhibitory processes in depression. Relation to rumination and mood regulation.* Personality area meeting, Psychology Department, Stanford University (2003).
- Therapiedokumentation [Documentation of therapy sessions].* Berlin Academy of Psychotherapy (BAP; 2001).
- Kognitive Inhibition und psychische Störungen [Cognitive Inhibition and emotional disorders].* Departmental Colloquium, Psychology Department, Friedrich-Schiller University Jena (2000).
- Kognitive Inhibitionsprozesse und Depression [Cognitive Inhibition in depression].* Departmental Colloquium, Psychology Department, Humboldt-Universität Berlin (1999).
- Selektive Aufmerksamkeit und Depression [Selective attention and depression].* Departmental Colloquium, Psychology Department, Freie Universität Berlin (1998).

Administration

- | | |
|--------------|---|
| 2014-present | Secretary, Society for Research in Psychopathology (SRP) |
| 2010-2013 | Member of the Social Sciences Institutional Review Board (IRB), University of Miami |
| 2009-2014 | Executive Board Member, Society for Research in Psychopathology (SRP). |
| 2009-2013 | Associate Director, Adult Division, Department of Psychology |
| 2008-2011 | College Council Member, Arts and Sciences, University of Miami |

- 2007 Member of the Brain Imaging Task Force, University of Miami
- 2006-2009 Member of the Adult track and Cognitive Neuroscience faculty search committees and member of the assessment training subcommittee, University of Miami
- 1998-2000 Member of the committee on the re-organization of the psychology program at the Freie Universität Berlin

Conference presentations (only Joormann as first author listed)

2013

2007

11. Joormann, J., Eugene, F., & Gotlib, I.H. (May, 2007). *Cognitive biases in depression : Difficulties controlling the contents of working memory*. Annual Convention of the Association for Psychological Science (APS), Washington, USA.
12. Joormann, J. & Gotlib, I.H. (May, 2007). *Biased processing of emotional stimuli in girls at high risk for depression*. Annual Convention of the Association for Psychological Science (APS), Washington, USA.
13. Joormann, J. & Gotlib, I.H. (November, 2007). *Rumination, Mood Regulation, and Cognitive Biases in Depression*. Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Philadelphia.
14. Joormann, J. & Gotlib, I.H. (November, 2007). *Processing of Interpersonal Stimuli in Depression and Social Anxiety: Biases in Emotion Detection and Identification*. Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Philadelphia.
15. Joormann, J. & Gotlib, I.H. (November, 2007). *Rumination in depression: Difficulties controlling the contents of working memory*. Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Philadelphia.

2005-2006

16. Joormann, J. & Gotlib, I.H. (May, 2006). *Mood regulation in depression : Comparing distraction and recall of happy memories*. Annual Convention of the Association for Psychological Science (APS), New York, USA.
17. Joormann, J., Cooney, R.E., Gotlib, I.H. (October, 2006). *Mood regulation in depression: Difficulties in repairing negative mood with happy memories?* Paper presented at the Annual Meeting of the Society for Research on Psychopathology, San Diego, CA. – Symposium Organizer and Chair
18. Joormann, J. & Gotlib, I.H. (November, 2006). *Inhibitory dysfunctions in currently and formerly depressed participants*. Paper presented at the Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Chicago, IL.

19. Joormann, J. & Gotlib, I.H. (November, 2006). *Biased processing of emotional information in girls at risk for depression*. Paper presented at the Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Chicago, IL. – Symposium organizer and chair
20. Joormann, J. & Gotlib, I.H. (November, 2006). *Adaptive and maladaptive components of rumination? Diagnostic specificity and relation to depressive biases*. Paper presented at the Annual Meeting of the Association for Research on Cognitive and Behavior Therapy (ABCT), Chicago, IL. – Symposium organizer and chair
21. Joormann, J. & Gotlib, I.H. (November, 2005). *Information-processing biases and emotion dysregulation in girls at risk for depression*. Annual meeting of the Association for the Advancement of Behavior Therapy (AABT), Washington, D.C., USA. – Symposium organizer and chair
22. Joormann, J. & Gotlib, I.H. (May, 2005). *Inhibitory dysfunction in depression : Relation to cognitive biases and rumination*. Conference on Clinical Cognition, San Antonio, USA.
23. Joormann, J. & Gotlib, I.H. (May, 2005). *Is this happiness I see ? Biases in the processing of interpersonal information*. Conference on Clinical Cognition, San Antonio, USA.

2002-2004

24. Joormann, J. & Gotlib, I.H. (November, 2004). *Mood regulation, memory accessibility, and rumination in depression: Difficulties in repairing negative mood with happy memories?* Annual meeting of the Association for the Advancement of Behavior Therapy (AABT), New Orleans, USA. – Symposium organizer and chair
25. Joormann, J. & Gotlib, I.H. (November, 2004). *Inhibitory dysfunctions in depression: Relation to attentional bias, memory bias, and rumination*. Annual meeting of the Association for the Advancement of Behavior Therapy (AABT), New Orleans, USA.
26. Joormann, J. (2004). *Rumination, Stimmungsregulation und Depression. [Rumination, mood regulation and depression]*. Fachgruppentagung Klinische Psychologie der DGPs, Halle, Germany.
27. Joormann, J. (2002). *Inhibitory dysfunctions in individuals at risk for depression*. Annual meeting of the Association for the Advancement of Behavior Therapy (AABT), Reno, USA.
28. Joormann, J., Kosfelder, J., & Schulte, D. (2002). *The impact of comorbidity of depression on the treatment of anxiety disorders*. Annual meeting of the Association for the Advancement of Behavior Therapy (AABT), Reno, USA.
29. Joormann, J. (2002). *Inhibitory dysfunctions in depression: Relation to rumination and mood regulation*. Conference on cognitive limitations in aging and psychopathology, Kazimierz, Poland.
30. Joormann, J., Kosfelder, J., & Schulte, D. (2002). *Was unterscheidet ungünstig verlaufende von erfolgreichen Angsttherapien [Differentiating responder and nonresponder in anxiety disorder treatments]*. Konferenz der Deutschen Gesellschaft für Psychologie (DGPs), Berlin.
31. Joormann, J., Kosfelder, J. & Schulte, D. (2002). *Auswirkungen von Komorbidität auf den Verlauf von Angsttherapien [The impact of comorbidity on the course of anxiety treatments]*. Konferenz der Fachgruppe Klinische Psychologie der Deutschen Gesellschaft für Psychologie, Konstanz.

1999-2001

32. Joormann, J. & Schulte, D. (2001). *The impact of comorbidity on the treatment of anxiety disorders*. 31st Conference of the European Association for Behavioral and Cognitive Therapies (EABCT) in Istanbul, Türkei.
33. Joormann, J. (2001). *Inhibitory dysfunction in individuals at risk for depression*. European Conference of Psychology, London, UK.
34. Joormann, J. & Unnewehr, S. (2001). *Wirksamkeit eines kognitiv-verhaltenstherapeutischen Gruppenprogramms zur Behandlung der sozialen Phobie bei Kindern: Eine kontrollierte Studie. [The effectiveness of a cognitive-behavioral group treatment for children and adolescents with social phobia: A controlled trial]*. Meeting of the Clinical Psychology Division of the German Psychological Association, Bern, Switzerland.
35. Joormann, J. (2000). *Selektive Aufmerksamkeit, Rumination und depressive Vulnerabilität: Die Bedeutung valenzspezifischer Inhibitionsdefizite. [Selective attention, rumination and depressive vulnerability: The role of inhibitory dysfunctions]*. Conference of the German Psychological Association, Jena, Germany. – Symposium organizer and chair
36. Joormann, J. & Roßnagel, C. (1999). *Age-related differences in negative priming in depressives*. Tsukuba International Conference on Memory. Tsukuba, Japan.
37. Joormann, J. (1999). *Cognitive inhibition: A vulnerability factor to depression?*. Conference of the European Association for Behavioral and Cognitive Therapies (EABCT). Dresden, Germany.
38. Joormann, J., Bischoff, N. & Straube, E.R. (1999). *Negative priming in schizotypy*. Conference of the European Association for Behavioral and Cognitive Therapies (EABCT). Dresden, Germany.
39. Joormann, J. (1999). *Kognitive Inhibitionsprozesse: Ein Vulnerabilitätsfaktor für Depression [Cognitive inhibition: A vulnerability marker of depression?]*. Meeting of the Clinical Psychology Division of the German Psychological Association. Bad Dürkheim, Germany.
40. Joormann, J. (1999). *Kognitive Inhibitionsprozesse als depressiver Vulnerabilitätsfaktor [Cognitive inhibition: A vulnerability marker for depression?]*. Meeting of Experimental Psychologists (TeaP). Leipzig, Germany.

1997-1998

41. Joormann, J. & Stöber, J. (1998). *DSM-IV somatic symptoms of generalized anxiety disorder: Characteristic features of pathological worry?* Annual Convention of the Association for Advancement of Behavior Therapy. Washington, USA.
42. Joormann, J. (1998). *Negatives Priming und Schizotypie: Inhibition oder Episodic Retrieval? [Negative priming and schizotypy: Inhibition or episodic retrieval?]*. Meeting of the German Psychological Association. Dresden, Germany.
43. Joormann, J. (1998). *Negatives affektives Priming und Depression: Eine Studie zu kognitiven Inhibitionsprozessen bei affektivem Material [Negative priming and depression: An investigation of cognitive inhibition of emotional stimuli.]* Annual meeting of the Clinical Psychology Division of the German Psychological Association. Hamburg, Germany.

44. Joormann, J. & Siemer, M. (1998). *Negatives Priming und affektive Valenz [Negative priming and affective valence]*. Meeting of Experimental Psychologists (TeaP). Marburg, Germany.
45. Joormann, J. & Stöber, J. (1997). *A questionnaire for the assessment of DSM-IV generalized anxiety disorder: An evaluation of self- and peer ratings*. European Conference on Psychological Assessment. Lisbon, Portugal.
46. Joormann, J. & Stöber, J. (1997). *Differentiating worry from somatic anxiety and depression: Common versus specific characteristics*. Meeting of the Stress and Anxiety Research Society. Düsseldorf, Germany.

Before 1997

47. Joormann, J. (1996). *Probleme der Erfassung zentraler Konstrukte kognitiv orientierter Therapiekonzepte am Beispiel irrationaler Einstellungen [Problems of the assessment of cognitive constructs in cognitive-behavior therapy: Irrational beliefs]*. Meeting of the German Psychological Association. München, Germany.
48. Joormann, J. (1996). *Assessing irrational beliefs: The problem of discriminant validity*. European Conference on Personality. Ghent, Belgium.
49. Joormann, J. & Stöber, J. (1996). *Measuring domain-specific worry: A LISREL-analysis of the dimensionality of the German version of the Worry Domains Questionnaire (WDQ)*. Meeting of the Stress and Anxiety Research Society, Graz. Austria.
50. Joormann, J. (1995). *The evaluation of the construct validity of measures of irrational beliefs by means of structural equation modeling*. European Conference on Psychological Assessment. Trier, Germany.
