

Vita

Marcia K. Johnson

Address: Department of Psychology Phone: 203 432 6761
Yale University
P.O. Box 298205 email: marcia.johnson@yale.edu
[Courier: 2 Hillhouse Ave]
New Haven, CT 06520-8205

Education

University of California, Berkeley, Ph.D., experimental psychology, 1971.

University of California, Berkeley, B.A., psychology, 1965.

Positions

Sterling Professor Emeritus of Psychology, Yale University (2017-present)

Sterling Professor of Psychology, Yale University (2010-2016)

Charles C. & Dorathea S. Dilley Professor of Psychology, Yale University (2004-2010)

Professor, Department of Psychology, Yale University (2000-2016)

Member, Interdepartmental Neuroscience Program, Yale University (2000-2016)

Professor, Department of Psychology, Princeton University (1985-2000)

Visiting Scientist, Memory Disorders Research Center at the Boston Veterans Affairs Medical Center, (1992-1993)

Assistant Professor, Associate Professor, and Professor, Department of Psychology, State University of New York, Stony Brook (1970-1985)

Awards and Grants

Cognitive Neuroscience Society Fred Kavli Distinguished Career Contributions Award in Cognitive Neuroscience, 2017

National Academy of Sciences, elected/inducted April 2014/April 2015

American Psychological Foundation Gold Medal Award for Life Achievement in the Science of Psychology, 2011

American Psychological Association Distinguished Scientific Contribution Award, 2006

Association for Psychological Science William James Fellow Award, 2006

American Psychological Association Division 20 Master Mentor Award, 2005

Yale University Graduate School Mentorship Award, 2005

Fellow, Center for Advanced Study in the Behavioral Sciences, 1987-88

John Simon Guggenheim Memorial Foundation Fellowship, 1984

James McKeen Cattell Fund Sabbatical Award, 1983

National Institute Of Mental Health (2010-2016). fMRI Studies of Age-related Changes in Executive Processing

National Institute on Aging (1990-2015). Effects of Aging on Memory for Source of Information (MERIT award, 2004-2015)

National Institute on Aging (2009-2010). ARRA Administrative Supplement (Equipment).

National Institute on Aging (1998-2008). Aging and Memory: fMRI Studies of Component Processing, Co-PI with Mark D'Esposito

National Institute of Health (2000-2005). Cognitive and Neural Mechanisms of Conflict and Control (Co-PI with Carol Raye) on Project 3 (Conflict and Memory) of Conte Center Grant (Jonathan Cohen, PI)

National Science Foundation (1998-2001). Acquisition of Core Equipment for Princeton Cognitive and Behavioral Neuroscience Initiative (Marcia Johnson, Jonathan Cohen, and Charles Gross)

Pew Charitable Trusts (1997-2000). Establishment of a Center for Cognitive and Behavioral Neuroscience at Princeton University

National Institute of Mental Health (1994-1997). A Processing Approach to Amnesic Skill Learning, Co-PI with William Hirst, New School for Social Research

National Institute on Aging (1991-1995). Semantic Memory and Alzheimer's Disease

Alzheimer's Association (1991-1994). Semantic Memory and Alzheimer's Disease

National Science Foundation (1985-1988). Reality Monitoring and Complex Events

National Institutes of Mental Health (1982-1985). Reality Monitoring

National Science Foundation (1978-1981). Reality Monitoring and Memory for Thought

Biomedical Sciences Research Grant, 1977-1978 (Reality Monitoring); State University of New York faculty research fellowships and grants-in-aid: summer 1974 (Memory Monitoring), summer 1972 (Comprehension and Memory), summer 1971 (Organization and Memory); Biomedical Sciences Research Grant, 1971-1972 (Organization and Retrieval Cues)

National Institutes of Health Predoctoral Traineeship, Institute of Human Learning,

University of California, Berkeley, 1966-1970

Professional Activities

National Academy of Sciences, Association for Psychological Science (Fellow), American Psychological Association (Fellow), Psychonomic Society, Cognitive Neuroscience Society, Society of Experimental Psychologists, Memory Disorders Research Society, Society for Neuroscience, Society for Applied Research in Memory and Cognition

Trustee, The James McKeen Cattell Fund (1993-2016)

Member, Society of Experimental Psychologists, Chair (1993-1994); Executive Board (2004-2006)

Member, Fellows selection committee, Association for Psychological Science (2004-2006)

Princeton University Neuroscience Center Advisory Committee (2005)

Princeton University Psychology Department Advisory Committee (2007)

Member, NIH Neurobiology of Learning and Memory Integrated Review Group (IFCN 7) Study Section (2002-2004)

Member of the Governing Board, Society for Applied Research in Memory and Cognition (1994-1997).

Member of the Governing Board, Psychonomics Society (1989-1994; Chair, 1994)

Member, Publications Committee, American Psychological Society (1993-1994)

Member-at-large, Division 3, American Psychological Association (1989-1992)

Member, Psi Chi/APA committee to award Edwin B. Newman Graduate Research Award (1991-1994).

Member, Committee on Scientific Awards, American Psychological Association (1980-1983)

Editorial boards

Journal of Experimental Psychology: Human Learning and Memory (1975-1980), *Learning, Memory & Cognition* (1984-1986), (1995-2000); *Cognitive Therapy and Research* (1978-1981); *Journal of Experimental Psychology: General* (1989-1990; 1995-2012); *American Journal of Psychology* (1989-2011); *Psychological Bulletin* (1993-2000); *Psychological Review* (1995-2000); *Neuropsychology* (1995-2000); *Applied Cognitive Psychology* (1995-), *Review of General Psychology* (1998-2014), *Imagination, Cognition and Personality* (2000-), *Journal of Cognitive Neuroscience* (2004-), *Social, Cognitive, and Affective Neuroscience* (2006-), *Social Cognition* (2006-2009).

Ad hoc reviewer for various granting agencies, journals and publishers.

Research Interests

Cognition and cognitive neuroscience. Component processes of memory subsystems; reality monitoring processes (e.g., cues used to distinguish real from imagined events) and source monitoring in general; aging and memory; emotion and cognition; executive processes; autobiographical memory

Teaching Interests

Component processes of cognition and memory; psychological and social/cultural processes of reality monitoring; special topics seminars (e.g., selected topics in cognition and cognitive neuroscience; amnesia; consciousness; autobiographical memory; concepts of volition, responsibility and control; topics in law and psychology)

Departmental and University Service

State University of New York at Stony Brook

Director, Undergraduate Program in Psychology, 1972-1974

Head, Experimental Program in Psychology, 1974-1976

Administration of Departmental computer-based experimental laboratory, 1978-1984

Member, Linguistics Program Advisory Committee, 1973-1985

Member, Provost Search Committee, 1980-1981

Member, University Committee on Resource Allocation and Budget,
1980-1983

Member, University Long-Range Planning Committee, 1981-1983

Various departmental committees (e.g., preliminary exams,
admissions, colloquium, etc.)

Princeton University

Director, Graduate Studies, 1986-1987; 1988-1990

Coordinator, Cognitive Program, 1986-1987, 1993-1994

Member, Student Life and Discipline Subcommittee of the Graduate
School, 1986-1987; 1988-1990

Member, Cognitive Studies Program Committee, 1985-2000

Member, Committee of Seven, 1990-1993

Member, Priorities Committee, 1993-1994

Freshman Seminar, Fall, 1994; Fall, 1995: Fact and Fantasy

Cognitive Neuroscience Initiative (1995-2000)

Yale University

Executive Committee, Interdepartmental Neuroscience Program, 2000 - 2004

Advisory Committee, Magnetic Resonance Research Center, 2002 - 2016

Acting Chair, Department of Psychology, Spring 2003

Director of Graduate Studies, 2004 - 2006

Committee on the Economic Status of the Faculty, 2004 - 2005

Tenure Appointments, Social Sciences, 2004 - 2006

President's Advisory Committee of the Division of Social Sciences, 2004 – 2006

School of Management Advisory Committee, 2005 – 2008

Faculty of Arts and Sciences Tenure and Appointments Policy Committee (FASTAP),
2005-2006

Chair, Department of Psychology, July 2006 – July 2011

Member, Faculty Development Committee of the National University of Singapore
Initiative Working Group, Fall 2009 – Spring 2010

Acting Chair, Department of Psychology, Spring 2013

Papers Presented at Scientific Meetings

Johnson, M. K., & Keppel, G. (1970, April). The total-time hypothesis and part-whole free recall learning. Annual meeting of the Western Psychological Association.

Doll, T. J., Tweedy, J. R., Johnson, M. K., Bransford, J. D., & Flatow, C. (1973, May). Semantic memory and sentence verification time. Annual meeting of the Midwestern Psychological Association.

Fenrick, N. J., Johnson, M. K., & Bransford, J. D. (1973, May). The role of topics in memory for word lists and prose. Annual meeting of the Eastern Psychological Association.

McCarrel, N., Bransford, J. D., & Johnson, M. K. (1973, May). Problem solving components of comprehension. Annual meeting of the Midwestern Psychological Association.

Johnson, M. K., & Hasher, L. (1973, May). Stimulus encoding and long-term retention. Annual meeting of the Midwestern Psychological Association.

Nyberg, S. E., Warren, L. R., & Johnson, M. K. (1974, April). Cued recall: Reinstatement of subjective organizational units? Annual meeting of the Eastern Psychological Association.

Johnson, M. K., & Raye, C. L. (1976, November). Fact and fantasy: Confusion between perceptual experiences and imaginations. Annual meeting of the Psychonomic Society.

Foley, M. A., Johnson, M. K., Reeder, R. W., & Foley, H. J. (1977, May). Frequency and the effects of related words on color-naming. Annual meeting of the Midwestern Psychological Association.

Mukherji, B. R., Johnson, M. K., & Schvaneveldt, R. W. (1977, November). Memory for comparative sentences. Annual meeting of the Psychonomic Society.

Raye, C. L., Johnson, M. K., & Taylor, T. H. (1978, March). Is there something special about memory for internally generated information? Annual meeting of the Eastern Psychological Association.

- Johnson, M. K., & Raye, C. L. (1978, November). A working model of reality monitoring. Annual meeting of the Psychonomic Society.
- Foley, M. A., Johnson, M. K., & Raye, C. L. (1980, April). A developmental study of reality monitoring comparing two types of judgments about memories. Annual meeting of the Eastern Psychological Association.
- Durso, F. T., & Johnson, M. K. (1980, May). Cued recall of pictures and words. Annual meeting of the Midwestern Psychological Association.
- Johnson, M. K., Kahan, T. L., & Raye, C. L. (1981, November). Dreams and reality monitoring. Annual meeting of the Psychonomic Society.
- Foley, M. A., & Johnson, M. K. (1982, April). The consequences for memory of imagining another person's voice. Annual meeting of the Eastern Psychological Association.
- Johnson, M. K., & Kim, J. K. (1983, November). Do Korsakoff amnesic patients develop and retain affective reactions? Annual meeting of the Psychonomic Society.
- Kahan, T. L., Johnson, M. K., & Thompson, S. (1984, April). Memory for seen and imagined rotations of alphanumeric characters. Annual Meeting of the Eastern Psychological Association.
- Chua-Yap, E., Johnson, M. K., & Thompson, S. (1984, April). Processes involved in the acquisition of frequency information. Annual Meeting of the Eastern Psychological Association.
- Johnson, M. K. (1984, August). Memory: Divide and conquer? Annual meeting of the American Psychological Association.
- Suengas, A. G., & Johnson, M. K. (1985, April). Effects of rehearsal on perceived and imagined autobiographical memories. Annual meeting of the Eastern Psychological Association, Boston, MA.
- Suengas, A. G., & Johnson, M. K. (1986, April). Memory effects of thinking about perceived and imagined complex events. Annual meeting of the Eastern Psychological Association.
- Phelps, E. A., Hirst, W., & Johnson, M. K. (1986, April). Recall and recognition with amnesia. Annual meeting of the Eastern Psychological Association.
- Johnson, M. K., & Lindsay, D. S. (1986, August). Reality monitoring. Annual meeting of the American Psychological Association.
- Lindsay, D. S., & Johnson, M. K. (1987, April). Thinking about autobiographical events affects subjects' estimates of the number of times they have experienced those events. Annual meeting of the Eastern Psychological Association, Arlington, VA.
- Phelps, E. A., Hirst, W., & Johnson, M. K. (1987, April). Amnesics' use of prior knowledge to aid in recall. Annual meeting of the Eastern Psychological Association, Arlington, VA.
- Lindsay, D. S., & Johnson, M. K. (1987, May). Mere exposure may take time: Effects of delay between exposure and test on preference and recognition. Fifty-ninth annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Chrosniak, L., Hashtroudi, S., Johnson, M. K., & Smith, J. (1988, April). Aging and source monitoring. Paper presented at the 59th annual meeting of the Eastern Psychological Association, Buffalo, NY.

- Lindsay, D. S., & Johnson, M. K. (1988, April). The reversed suggestibility effect. Paper presented at the 60th annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Weinstein, A., & Johnson, M. K. (1988, April). Preserved recognition memory in amnesia. Paper presented at the annual meeting of the Maine Psychological Association, Waterville, ME.
- Smith, J. L., Hashtroudi, S., Johnson, M. K., & Chrosniak, L. (1989, April). Aging and qualitative characteristics of memory. Paper presented at the 60th annual meeting of the Eastern Psychological Association, Boston, MA.

- Bui, K., Purdie-Vaughns, V., & Johnson, M.K. (2009, May). Interpersonal reality monitoring: Distrusting and forgetting what politicians say. Poster presentation at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Ebner, N. C., He, Y., & Johnson, M. K. (2009, May). Visual scan patterns for young and older emotional faces: Age-group comparisons. Poster presented at the 21st Annual Convention of the Association for Psychological Science, San Francisco, CA.
- Roth, J.K., Johnson, M.K., & Constable, R.T. (2009, June). Functional connectivity results vary with different seeds within a functionally defined region. Presented at the 15th Annual Meeting of the Organization for Human Brain Mapping, San Francisco, CA. (Abstract published in NeuroImage, 47, S179.)
- Ebner, N. C., Gluth, S., Johnson, M. R., Raye, C. L., & Johnson, M. K. (2009, October). Medial prefrontal cortex activity when evaluating others depends on their facial expression and age. Poster presented at the 3rd Annual Meeting of the Social and Affective Neuroscience Society, New York City, NY.
- Johnson, M.K. (2009, October). Why cultural reality monitoring? Symposium on Social and Cultural Reality Monitoring, Annual Meeting of the Society of Experimental Social Psychology, Portland, ME.
- Johnson, M.R., McCarthy, G., Muller, K.A., Brudner, S.N., & Johnson, M.K. (2009, October). Electrophysiological correlates of refreshing: event-related potentials associated with directing reflective attention to face, scene, or word representations. Poster presented at the annual meeting of the Society for Neuroscience, Chicago, IL.
- Turk-Browne, N.B., Scholl, B.J., Johnson, M.K., & Chun, M.M. (2009, October). Long-term visual paired associate learning in fMRI voxel patterns. Talk presented at Society for Neuroscience Annual Meeting, Chicago, IL.
- He, Y., Ebner, N. C., & Johnson, M. K. (2009, November). Fixation patterns predict old/new recognition for young and older faces. Poster presented at the 50th Annual Meeting of the Psychonomic Society, Boston, MA.
- Higgins, J.A., & Johnson, M.K. (2009, November). Does unconscious interference activate prefrontal control areas? Poster presented at the 50th Annual Meeting of the Psychonomic

Society, Boston, MA.

- Bui, K., Purdie-Vaughns, V., & Johnson, M.K. (2010, January). Caution! There's a politician among us: Stereotypes about politicians affect judgments about the believability of their accounts of past events. Poster presentation at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Ebner, N. C., He, Y., & Johnson, M. K. (2010, January). Social category affects how we look at a face: Own-age versus other-age effects. Talk at the 11th Annual Meeting of the Society for Personality and Social Psychology, Las Vegas, USA.
- Johnson, M. R., & Johnson, M. K. (2010, May). Decoding individual natural scene representations during perception and imagery. Presentation given at the annual meeting of the Vision Sciences Society, Naples, FL.
- Johnson, M. R., & Johnson, M. K. (2010, November). Enhancement and suppression in reflective attention: Separate processes or different manifestations of one process? Poster presented at the annual meeting of the Society for Neuroscience, SanDiego, CA.
- Kim, K., McCarthy, G., & Johnson, M. K. (2010, November). Neural signature of extended self: Self-object association through mere ownership. Poster presented at the annual meeting of the Society for Neuroscience, SanDiego, CA.
- Higgins, J.A., & Johnson, M.K. (2010, November). Unconscious interference may result in decreased connectivity between prefrontal control areas. Poster presented at the 51st Annual Meeting of the Psychonomic Society, St. Louis, MO.
- Johnson, M. R., Higgins, J. A., Norman, K. A., Sederberg, P. B., & Johnson, M. K. (2011, May). An inhibition of return (IOR) effect resulting from directing attention within working memory. Paper presented at the Annual Meeting of the Vision Sciences Society, Naples, Florida.
- Ankudowich, E., Ebner, N.C., Luedicke, J., Mitchell, K.J., & Johnson, M.K. (2011, November). How do young and older adults rate the self relevance of age-typical characteristics? Poster presented at the annual meeting of the Gerontological Society of America, Seattle, WA.
- Johnson, M.R., Higgins, J.A., Norman, K.A., Sederberg, P.B., & Johnson, M.K. (2011, October). Foraging for thought: an inhibition of return-like effect resulting from directing attention within working memory. Malaysian Psychology Conference.
- Higgins, J. A., Johnson, M. R., & Johnson, M. K. (2011, November). An inhibition of return-like effect in reflective attention in older adults. Poster presented at the 52nd Annual Meeting of the Psychonomic Society, Seattle, WA.
- Kim, K. & Johnson, M. K. (2011, November). Negative effects of item familiarity on source memory. Poster presented at the 52nd Annual Meeting of the Psychonomic Society, Seattle, WA.
- Ebner, N. C., Johnson, M. K., & Fischer, F. (January, 2012). Aging and the neural mechanisms of reading facial emotions. Talk presented at the 13th Annual Meeting of the Society for Personality and Social Psychology, San Diego, USA.
- Ebner NC, Johnson MR, Rieckmann A, Johnson MK, Fischer H. Neural correlates oprocessing own-age versus other-age emotional faces. International Congress of Psychology 2012.

- Ebner, N. C., Johnson, M. R., Rieckmann, A., Johnson, M. K., & Fischer, H. (July, 2012). Neural correlates of processing own-age versus other-age emotional faces. Talk at the 30th International Congress of Psychology, Cape Town, South Africa.
- Ebner, N. C., He Y., & Johnson, M. K. (July, 2012). Age and emotion affect how we look at a face and what emotion we see. Talk at the 30th International Congress of Psychology, Cape Town, South Africa.
- Sugimori, E., Mitchell, K.J., Raye, C.L., & Johnson, M.K. (2012, July). Misattributing speech: relationship between brain areas active during hearing and imagining hearing and subsequent source memory. Poster presented at the 30th International Congress of Psychology, Cape Town, South Africa.
- Mitchell, K.J., Ankudowich, E., Durbin, K.A., & Johnson, M.K. (2012, November). Age-related differences in brain activity associated with source memory for externally- vs internally-generated features. Paper presented at the 53rd Annual Meeting of the Psychonomic Society, Minneapolis, MN.
- Strickland-Hughes, C. M., Johnson, M. K., & Ebner, N. C. (April, 2012). Facial attractiveness and recognition of faces: Effects of age and gender. Poster at the Cognitive Aging Conference, Atlanta, USA.
- Ebner, N. C., Johnson, M. R., Rieckmann, A., Johnson, M. K., & Fischer, H. (May, 2013). Processing own-age vs. other-age faces: Neuro-behavioral correlates and effects of emotion. Poster at Mechanisms of Motivation, Cognition, and Aging Interactions Conference, Washington, DC, USA.
- Johnson, M.R., Higgins, J.A., Norman, K.A., Sederberg, P.B., & Johnson, M.K. (2011, October). Foraging for thought: an inhibition of return-like effect resulting from directing attention within working memory. Malaysian Psychology Conference.
- Ebner, N. C., Johnson, M. K., & Fischer, F. (April, 2013). Neural mechanisms of reading facial emotions in young and older adults. Poster at the 20th Cognitive Neuroscience Annual Meeting, San Francisco, USA.
- Kim, K., & Johnson, M.K. (2013, April). Objects associated with self through imagined ownership later spontaneously engage brain areas recruited during explicit self-referencing. Poster presented at the 6th Annual Meeting of the Social & Affective Neuroscience Society, San Francisco, CA.
- Lin, T., Johnson, M. K., Ankudowich, E., & Ebner, N. C. (September, 2013). Self vs. Others: Behavioral and Neural Evidence of the Self-Positivity Effect in Young and Older Adults. Poster at the 4th Annual Spotlight on Aging Research, Gainesville, FL, USA.
- Lin, T., Ankudowich, E., Johnson, M. K., & Ebner, N. C. (April, 2014). Distancing from the own-age group: An age-group comparison. Poster at the Cognitive Aging Conference, Atlanta, GA, USA.
- Guerin, S.A., Uddenberg, S.D. Johnson, M.K., Chun, M.M. (2014). Decoding the temporal structure of experience: neural replay during remembering. Society for Neuroscience Annual Meeting, Washington, D.C.
- Guerin, S.A., Uddenberg, S.D. Johnson, M.K., Chun, M.M. (2015). Decoding the temporal structure of perception and reflection. Vision Sciences Society Annual Meeting, St. Pete Beach, Florida.

Tasimi, A., & Johnson, M. K. (2015, March). A self-serving bias in children's memories? Poster presented at the 37th Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.

Durbin, K.A., Mitchell, K.J., & Johnson, M.K. (2015, May). Memory for negative pictures is resistant to the self-reference effect. Poster presented at 27th Annual Convention of the Association for Psychological Science. New York, NY.

Johnson, M.R., Mitchell, K.J., & Johnson, M.K. (2015, November). Subjective vividness ratings of pictures predict exemplar-specific similarity between encoding and recall activity patterns. Society for Neuroscience Annual Meeting (XI), Victoria, BC, Canada.

Invited Presentations at Scientific Meetings

Bransford, J. D., & Johnson, M. K. (1971, October). Semantic prerequisites for comprehending prose. Symposium on prose learning. Annual meeting of the Eastern Verbal Investigators League, Smith College.

Johnson, M. K. (1975, September). Constructive aspects of memory: Historical antecedents. Symposium on constructive processes in memory. Annual meeting of the American Psychological Association.

Menzel, E. W., & Johnson, M. K. (1975, September). Cognitive organization and communication in humans and other animals. New York Academy of Sciences Conference on the Origins and Evolution of Speech and Language.

Johnson, M. K. (1976, September). What is being counted none the less?. NIAA Conference on Alcohol and Memory, UC Irvine.

Johnson, M. K. (1979, April). Some research on reality monitoring: A progress report. Workshop on human learning, memory, and cognition. Annual meeting of the Rocky Mountain Psychological Association.

Johnson, M. K. (1983, August). Fact and fantasy in memory: The problem of reality monitoring. Invited address, annual meeting of the American Psychological Association.

Johnson, M. K. (1984, October). A multiple-entry, modular memory system. Conference on memory and cognition, Colgate University.

Johnson, M. K. (1985, February). What is memory? Conference on Normal and Abnormal Memory Loss: Present and Future Therapies. The Foundation for Innovative Medicine, Newark, NJ.

Johnson, M. K. (1985, March). A multiple-entry, modular memory system. Invited address, Southeastern Workers in Memory, annual meeting of the Southeastern Psychological Association.

Johnson, M. K. (1985, April). Discriminating the origin of information. Indiana Conference on Delusional Beliefs: Interdisciplinary Perspectives, Nashville, IN.

Lindsay, D. S., & Johnson, M. K. (1986, October). Eyewitness suggestibility and the source monitoring hypothesis. Annual Adelphi University Applied Experimental Conference.

Johnson, M. K. (1987, February). The origin of memories. Annual meeting of the Lake Ontario Visionary Establishment, Niagara Falls.

- Johnson, M. K. (1987, April). The origin of memories. Invited paper presented at the 67th annual convention of the Western Psychological Association, Long Beach, CA.
- Johnson, M. K. (1987, May). Reality monitoring and autobiographical memory: An experimental phenomenological approach. Invited symposium on Knowing and Remembering at the 59th annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Johnson, M. K. (1987, October). Functional forms of human memory. Invited paper at the Third Conference on the Neurobiology of Learning and Memory, University of California, Irvine.
- Johnson, M. K. (1988, October). Reality monitoring: Evidence from confabulation in organic brain disease patients. Invited paper presented at Conference on Awareness of Deficit, Jointly Sponsored by University of Arizona (Tucson) and Barrows Neurological Institute, Phoenix, AZ.
- Johnson, M. K. (1989, April). MEM and reality monitoring. Invited paper presented at Conference on Counterfactuals and Other Forms of Mental Simulation. Indiana University, Nashville, IN.
- Johnson, M. K. (1990, April). The origin of memories. Invited paper presented at the 36th annual convention of the Southwestern Psychological Association, Dallas, TX.
- Johnson, M. K. (1990, April). The origin of memories. Invited paper presented at the annual meeting of the Rocky Mountain Psychological Association, Tucson, AZ.
- Johnson, M. K. (1990, June). Reflection, reality monitoring, and the self. Invited paper presented at the 12th annual conference of the American Association for the Study of Mental Imagery, Lowell, MA.
- Johnson, M. K. (1990, August). The origin of memories. Invited paper presented at the annual meeting of the American Psychological Association, Boston, MA.
- Johnson, M. K. (1991, July). MEM: Cognitive subsystems as processes. Invited paper presented at the Internal Conference on Memory, Lancaster University, Lancaster, U.K.
- Johnson, M.K. (1993, January). Sources of failure in cognitive monitoring. Invited paper presented at the Eleventh European Workshop on Cognitive Neuropsychology, Bressanone, Italy.
- Johnson, M. K., & Reeder, J. A. (1993, May). Consciousness as meta-processing. Invited paper presented at the 25th Carnegie Symposium on Cognition, Scientific Approaches to Consciousness, Pittsburgh, PA.
- Johnson, M. K. (1994, July). Some thoughts on emotion, consciousness, and MEM. Invited paper presented at the 8th meeting of the International Society for Research on Emotion, Cambridge, England.
- Johnson, M. K. (1994, August). Fact, fantasy and public policy. Invited paper presented at the Third Practical Aspects of Memory Conference, College Park, MD.
- Johnson, M. K. (1994, December). Reality monitoring. Invited study group on working memory and its relevance to schizophrenia at the 33rd annual meeting of the American College of Neuropsychopharmacology, San Juan, Puerto Rico.

- Johnson, M. K. (1995, May). Fact, fantasy, and cultural reality monitoring. Invited paper presented at the 45th annual conference of the International Communication Association, Albuquerque, NM.
- Johnson, M. K. (1995, August). The relation between memory and reality. Invited paper presented at the 103rd annual meeting of the American Psychological Association, New York, NY.
- Johnson, M. K. (1995, November). Architecture of the cognitive/memory system: Implications for reality monitoring. Invited paper presented at the special conference on Neuroscience of the Mind: On the Centennial of Freud's Project for a Scientific Psychology. Sponsored by the Long Island Jewish Medical Center, New York Neuropsychology Group, and the New York Academy of Sciences, New York, NY.
- Johnson, M. K. (1995, December). Reality monitoring and memory distortion. Invited paper presented at the Conference on the Biological and Psychological Perspectives on Memory and Memory Disorders. The 75th anniversary program of the Association for Research in Nervous and Mental Disease, with the New York Academy of Medicine, New York, NY.
- Johnson, M. K. (1996, July). Series of four lectures: The relation between memory and reality; Brain mechanisms of source monitoring; Cognitive subsystems as processes; Fact, fantasy, and social/cultural reality monitoring. Invited lectures presented at postgraduate program sponsored by Universitaet Bern, Meetings at Grindelwald, Switzerland.
- Johnson, M.K. (1996, October). ERP studies of source monitoring. Invited paper presented at the 8th annual meeting of Memory Disorders Research Society, Cambridge, MA.
- Johnson, M.K. (1996, December). Series of four lectures: The relation between memory and reality; Brain mechanisms of source monitoring; Cognitive subsystems as processes; Fact, fantasy, and social/cultural reality monitoring. Invited lectures presented at Landesweiter Workshop fur Doktorandinnen und Doktoranden sponsored by Universitat Konstanz, Germany.
- Johnson, M.K. (1997, January). A source monitoring approach to memory distortion. Invited paper at the Fifteenth European Workshop on Cognitive Neuropsychology, Bressanone, Italy.
- Johnson, M.K. (1997, February). Fact and fantasy: Psychological and cultural reality monitoring. Conference on The Future of Fact, Annenberg School for Communication, University of Pennsylvania.
- Johnson, M.K. (1997, May). Cognitive and brain mechanisms in false memories and beliefs. Conference on Memory and Belief, Harvard University, Cambridge, MA.
- Johnson, M.K. (1997, November). Aging and source monitoring: Symposium on memory and aging. Invited paper presented at the 9th annual meeting of the Memory Disorders Research Society, San Francisco, CA.
- Johnson, M.K. (1998, April). Cognitive and brain mechanisms of true and false memories and beliefs. Invited paper, Conference on Social Remembering, Islamorada, FL.
- Johnson, M. K. (1999, February). Cognitive and brain mechanisms of true and false memories and beliefs. Invited paper at the annual meetings of the North Carolina Cognition Group. Raleigh, NC.

- Johnson, M.K. (1999, May). Cognitive and brain mechanisms of true and false memories and beliefs. Invited paper, Banff Annual Seminar in Cognitive Science: The Reconstructive Nature of Memory and Knowing, Banff, Canada.
- Johnson, M.K. (1999, August). Individual differences and memory distortion. Invited paper at the annual meetings of the American Psychological Association, Boston, MA.
- Mitchell, K.J., Johnson, M.K., Raye, C.L., & D'Esposito, M. (1999, November). fMRI evidence of age-related hippocampal dysfunction feature binding in working memory. Invited paper presented at the 11th annual meeting of the Memory Disorders Research Society, Tucson, AZ.
- Johnson, M.K. (2001, October). What have we learned from neuroimaging: fMRI studies of component processes of working memory. Invited presentation for symposium on neuroimaging at the annual meeting of the Memory Disorders Research Society, Boston, MA.
- Johnson, M.K. (2002, February). Reality monitoring. Invited keynote presentation at the 3rd annual meeting of the Society for Personality and Social Psychology, Savannah, GA.
- Johnson, M.K. (2002, June). Component processes of cognition and PFC. Invited lecture at the McDonnell Summer Institute, Dartmouth, Hanover, NH.
- Johnson, M.K. (2003, March). Investigating age-related changes in component processes of reflection. Invited paper at the Second Symposium on Neuroscience, Aging & Cognition (SNAC II), New York, NY.
- Johnson, M.K. (2004, August). Refreshing a just-experienced item: Characterizing a component of reflective cognition. Invited paper at the International Conference on Working Memory, Kyoto, Japan.
- Johnson, M.K. (2005, March). Toward characterizing the neural correlates of component processes of cognition. Rushton Lectures, Florida State University.
- Johnson, M.K. (2006, May). Reality monitoring. William James Fellow Award Address, 18th Annual Convention of the Association for Psychological Science, New York, NY.
- Johnson, M.K. (2006, June). Reality monitoring and Reality monitoring: Cognitive Neuroscience. Two invited lectures at the European Society for Cognitive Psychology Summer School, Villas Turísticas de Bubi6n, Granada, Spain.
- Johnson, M.K. (2006, July). Source monitoring. Keynote address at the Fourth International Conference on Memory (ICOM-4), University of New South Wales, Sydney, NSW, Australia.
- Johnson, M.K. (2006, August). Toward characterizing the neural correlates of component processes of cognition. Invited paper at the Neuroimaging and Psychological Theories of Human Memory Symposium, Marburg, Germany.
- Johnson, M.K. (2006, August). Reality monitoring. American Psychological Association Distinguished Scientist Award Address, Annual Convention, New Orleans, LA.
- Johnson, M.K. (2007, May). Using fMRI to explore components of reflective processing. Eleventh International Conference on Cognitive and Neural Systems (11th ICCNS), Boston, MA.

- Johnson, M.K. (2007, November). Using fMRI to explore component processes of cognition. Keynote address at the 48th Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Johnson, M.K. (2008, June). Dissociating medial cortex activity associated with self-focused thought. Invited paper at the 2nd Annual Meeting of the Social and Affective Neuroscience Society, Boston, MA.
- Johnson, M.K. (2009, October). Reality Monitoring. Invited talk presented to the Yale University Mind, Brain, Culture, and Consciousness Working Group (MBCC).
- Johnson, M.K. (2009, November). Commentary on the symposium 'What are we learning from fMRI about the neural mechanisms of source memory?' Invited symposium at the 50th Annual Meeting of the Psychonomic Society, Boston, MA.
- Johnson, M.K., Mitchell, K.J., Johnson, M.R., & Higgins, J.A. (2010, January). Age differences in brain activity during perceptual and reflective attention. Invited paper at the Dallas Aging and Cognition Conference, Dallas, TX.
- Johnson, M.K. (2010, April). Cognitive neuroscience of true and false memories. Invited paper at the 58th Annual Nebraska Symposium On Motivation, Lincoln, NE.
- Johnson, M.K. (2012, March). Cognitive neuroscience of true and false memories. Invited paper at the 104th Annual meeting of the Southern Society for Philosophy and Psychology, Savannah, GA.
- Johnson, M.K. (June, 2015). Cognitive neuroscience: Applied cognitive psychology. Keynote talk at the Society for Applied Research in Memory and Cognition, Victoria, BC CAN
- Johnson, M.K. (March, 2017). The subjective experience of remembering. Kavli Distinguish Career Contribution award talk, annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.
